A New Normal' by Carol Lynne You never forget your first love, but what if your first love never forgot you...and orchestrated an unconventional reunion? Less than a year after the death of his wife, musician Charlie Foster agreed to perform at a convention in Albuquerque, New Mexico. He thought getting away from New York for a few days would be good for him, but he didn't expect to see the first person he'd ever fallen in love with. Jake Pierson gave his heart to Charlie when he was barely fifteen years old. As best friends, Jake believed he and Charlie would be together forever, but when Charlie took the easier path in life, Jake was left to deal with a future without the man he loved. Jake knew tricking Charlie into performing at a conference he'd helped organise was low-handed, but he had a promise to keep and a future to build. 'Convention Confusion' by Amber Kell Dressing up as a girl can sometimes win you the man of your dreams. Billy Ferris has adored Jennvian Fellows comics since he read the first edition. When the chance to meet the illustrator comes up he accepts his friends help to dress as his favourite character, space pirate female Kixie. Little does he know that Jenn not only prefers men but is looking for the mate of his dreams to take back to his home world. Will Billy be able to show his true self and capture the man of his not-so-pure dreams. 'Ninja Cupcakes' by T.A. Chase Ethan's special talents and cupcakes bring him the love of his life. Ethan Gallagher loves to bake, and his cupcakes are known throughout his area as being the best. When he agrees to do the desserts for a sci-fi convention his brother is putting on, Ethan gets a chance to realise his biggest fantasy. One of the panelists is Callum MacLaughlin, a man Ethan's been lusting after since they'd met four years ago. Ethan discovers Callum will be there, and he decides it's time to make his move on the astrophysicist. With the help of some special cupcakes, Ethan makes not only his dream come true, but the hopes of his brother and his best friend as well. 'Operation: Get Spencer' by Jambrea Jo Jones Even if superpowers were real-Benjamin still might not get his man. Benjamin and Spencer are spending the day at Comi-Con. Spencer is a comic geek and Benjamin would follow him anywhere. The only problem? Spencer thinks Benjamin is straight and Benjamin just realized he is in love with his best friend. Is a day enough for Benjamin to convince Spencer that his love is more powerful than a locomotive and that it hit him faster than a speeding bullet? Tune in to find out if Benjamin

saves the day. 'Fan-Tastic' by Stephani Hecht Everybody knows the best lovers are geeks. It's time again for the annual Comic Book and Horror Convention. Normally, Deke liked to avoid these things. While he may be a well-known actor, he wasn't hunky or a beefcake and he was always overlooked. In fact, most people like to call him 'the geek of geeks'. But, the producers of his popular TV series don't care and they order Deke to go. So, while he knows he won't have any fun he has no choice but to attend. Blake harboured a crush on Deke even before the other man became famous. When he finds out that Deke will be at the convention, Blake knows he has to attend as well. Since he is trying to promote his own comic, Blake decides that he can mix a little business with his fun. To Blake's dismay, not only does Deke not remember him, but the actor refuses to believe that Blake could have any romantic feelings for a geek. Blake decides that he can't let this opportunity slip through his fingers, though. He may have given up on Deke all those years ago, but not this time. Will Blake be able to convince Deke to give him a chance? Or will the final credits roll before they find love? 'Rough Awakening' by Devon Rhodes When Mario sets out to find a roommate for the convention, little does he know he'll end up finding much more.
