

Atheist Universe - David Mills

[DOWNLOAD HERE](#)

Clear, concise, and persuasive, *Atheist Universe* details exactly why God is unnecessary to explain the universe and life's diversity, organization, and beauty. The author thoroughly rebuts every argument that claims to "prove" God's existence. Arguments based on logic, common sense, philosophy, ethics, history and science. *Atheist Universe* avoids the esoteric language and logic used by philosophers and presents its scientific evidence in simple lay terms, making it a richly entertaining and easy-to-read introduction to atheism. A comprehensive primer, it addresses all the historical and scientific questions, including: Is there proof that God does not exist? What evidence is there of Jesus's resurrection? Can creation science reconcile scripture with the latest scientific discoveries? *Atheist Universe* also answers ethical issues such as: What is the meaning of life without God? It's a spellbinding inquiry that ultimately arrives at a controversial and well-documented conclusion. Author: Mills, David Publisher: Ulysses Press Illustration: N Language: ENG Title: *Atheist Universe* Pages: 00256 (Encrypted PDF) On Sale: 2006-08-06 SKU-13/ISBN: 9781569755679 Category: Religion : Atheism
