

# Ian B. Macleod - Restless

[DOWNLOAD HERE](#)

One of Carl's best country/rockabilly tracks to come out of 1969 & a chart entry for him in the US. This song was the title track of my first album which was released in 1972 & is the version you are listening to. Mark O'Connor & The New Nashville Cats had a hit with this in 1991, winning "Vocal Event Of The Year" from the CMA.
