----- Andy James Court has released two innovative Contemporary Christian CDs which have won over 20 awards including: 1998 Australian Gospel Songwriter of the Year and more recently the UK Gospel Song of the Year for 2004. His popular music has received substantial airplay in Australia, New Zealand, the U.K., Europe, and parts of the U.S.A. He currently has five video clips, which have also enjoyed local and international television exposure, and he is working on a third album. Andy has performed at the United Christian Broadcasters International Conference in New Zealand and also at the opening of the new Rhema FM Radio Station in Victoria. In 2001, he was joined by a wonderful band of musicians to form the 'Utmost Fish'. A band committed to 'Excellence for God'. Soon after, the 10-piece African/American style 'Supernatural Gospel Choir' became a part of this family and they bring a wonderful finale to an unforgettable concert experience. The full band and choir, although relatively new, have performed, among other places at a Wildcats Basketball Charity Event at the Challenge Stadium, Perth and have also participated in the 2002 Church Together at the Burswood Dome. They are proudly sponsored by 98.5 Sonshine FM and World Vision.
