The eldest son of Bishop Arthur T. Jones Sr. and Pastor Sharon P. Jones, he has continued a legacy of excellence in ministry to empower the lives of Gods people. He is devotedly and happily married to Lady Tonya Jones. Faithfully serving in ministry since the age of 18, Jones recognized early on the gift God has blessed him with and perfected his gift under the anointing and power of the Holy Spirit. Dr. Jones to some degree, has always known that there was a pastoral call on his life, but respected the fact that receiving and walking in an appointment of such magnitude prematurely or before ones season could be detrimental to ones spiritual, emotional and physical health. By seeking Gods face and showing himself approved, Jones has sought to radically empower the lives of Gods people and impose the Kingdom by any righteous means necessary. Armed with a purpose and passion for music, he told God he would use his gift and play his saxophone, Sanctified Sally, for His glory. His gift, made perfect for such a time as this, has enlightened and boldly delivered the message of salvation to a dying nation. With the revelation that Sanctified Sally represents His intriguing or captivating ax, and the Word of God signifies the irrefutable, life-changing sword of the Spirit, Jones was propelled and commissioned by God to go forth and chop down the strongholds of the devil. Using these two anointed weapons for mass demonic destruction, Jones deposits a message of love, peace, hope and deliverance into the hearts of Gods people. Following the anointing of his gift has led Dr. Jones to usher thousands into the presence of the Lord, performing among such ministerial giants as the renowned Bishop T.D. Jakes, Drs. Randy and Paula White, Dr. Myles Munroe, Yolanda Adams and a host of other great men and women of God. A

mans gift makes room for him and brings him before great men, and to God be the Glory!!! Dr. Jones currently oversees the music/praise and worship ministry as well as My Brothers Keeper Christian Men Fellowship, a ministry structured to empower men ages 15 to 45 with practical knowledge and applicable principles to develop them into the priest, protector and provider their Creator predestined them to be. His theological perspective on the church that Christ built is that it should be an oasis of love in a desert community empowering its people to live a holistic life through spiritual, intellectual, social, and economic development. He passionately proclaims, The strong may survive, but only the empowered will conquer and have dominion." Dr. Jones academic achievements include dual degrees from Florida A&M University, in Criminal Law and Music, 1994; Truth Bible College and Seminary (Master of Theology), 1998; Interdenominational Theological Center, ITC (study of M. Div); Truth Bible College and Seminary, (Doctorate of Theological Studies), 2004, and University of Phoenix, (Master of Management), 2006.
