Sassy cowgirl three-part harmonies with a snappy Americana country band. 13 MP3 Songs in this album (42:43) ! Related styles: COUNTRY: Bakersfield Sound, COUNTRY: Countrypolitan People who are interested in Loretta Lynn Buck Owens Del Reeves should consider this download. Details: All songs written, performed, and produced by The Bootcuts. Recorded at Stage Left (Dreamcatcher) Studios by Matt Curtis, and at Jazmataz Studios by Sven Holcomb. Mixed by Mark Keaton at Sharkbite Studios. Mastered by John Golden at John Golden Mastering. Swampbuggy research by Meg Frost. No chickens, sheep, or dogs were harmed in the making of this album. Performers: Cristal Guderjahn sings and plays banjo. Megan Frost sings and makes authentic animal noises. Lori Hersey sings from the heart and makes us cry with her beauty. Matt Curtis tickles the Telecaster and looks hot in a baseball cap. Jon Seltzer picks the flat-top box and makes sure the melody rings. Tom Giesler bops the bass and stands tall. Ross "The Heartbeat of the Bootcuts" Retzler smaks the skins and keeps us in line. Peter McConnell plays the fiddle like the pro he is. We'd like to thank our old friends Chub, the Fynns, and Tom Welsh for giving us a chance to play with them when we started, and for their awesome support. A big double-diesel hornblast to Allen Walker, Sven Holcomb, Matt Hersey, Peter McConnell, Mark Keaton, and Dennis Juarez from the Hotel Utah. To everybody who came out to see us and made it extra special, thanks for being there. We love you. So much, it hurts sometimes. bootcuts.com MakeWater Music Productions
