killer songs, killer sound. .... one of the best bands in nyc in the 1990's. 12 MP3 Songs ROCK: Acoustic, ROCK: Progressive Rock Details: As founder, songwriter and frontman of NYC's legendary "Choosy Mothers", James Katz took NYC's live music scene by storm in the mid 90's. Choosy Mothers played to packed houses at such renowned New York institutions as Wetlands, Tramps and New Music Cafe, sharing stages with such artists as Dave Matthew's Band, Jeff Buckley, John Popper, Joan Osborne, Spin Doctors, Corey Glover and Ziggy Marley. They also generated a large local following during their 3 set weekly performances at Mondo Cane. The sheer mass of the Mothers' buzz allowed them to sell 15,000 recordings of James' original music 'off the stage' without any label or marketing support. jameskatz.com
