New Truck Driving music with a Texas Swing 10 MP3 Songs in this album (32:33) ! Related styles:

COUNTRY: Traditional Country, COUNTRY: Outlaw Country People who are interested in Merle Haggard

Waylon Jennings Dave Dudley should consider this download. Details: This musical recording is the

finest sound of truckin and country music that hasnt been heard in 30 to 40 years. The sound has been

honed for about 40 years and is a combination of some of your old favorite sounds like Marty Robbins,

Patsy Cline, Merle Haggard, Waylon Jennings, Loretta Lynn, Willie Nelson, George Jones, Dave Dudley,

Red Sovine and the list goes on and on. Cliff Douglas comes from a musical background and started

banging on a guitar from the age of 3 years, writing songs about the age of 9 and performing for the

public in his early teens. Cliff Douglas (then known as Doug Lenard) has opened for some of Country

Musics finest; Moe Bandy, The Oak Ridge Boys, Hank Williams, Jr., Mickey Gilley, Asleep at the Wheel,

Elvin Bishop, Jerry Jeff Walker, Frizzell and West, Kenny Price, Peter Rowan, Jerry Lee Lewis, and Ray

Wiley Hubbard. Cliff Douglas continued to cut albums over the years and had some near misses with

fame. Somewhere in his twenties, Cliff Douglas decided that music wasnt going to pay the bills and he

turned to driving a truck. In the evenings and on the weekends, he would play gigs from Sioux Falls to

Fresno and then drive a truck to pay the bills and support his recording habit. During that time, the

musical talent couldnt be suppressed and he continued to pen numerous songs and play his guitar. It is

truly amazing the amount of songs contained in one mind! Over the past several years, the archives have

been searched and songs that everyone kept asking about were brought out and are now on this newest

album. These songs will remind you of the times gone by, the truck drivers that keep this country moving

and of the true heart and soul of Country Music. Cliff Douglas is one of the finest country music talents in

the world today. You ask me how I know, well I have listened to country music for years and am always

amazed by the talent and quality that comes forth in each and every song that is presented by this man.

And besides and most important of all; I am Cliff Douglas wife! Donna E. Lenard
