Guitar power pop from the Windy City 8 MP3 Songs POP: Power Pop, ROCK: Emo Details: "... Power pop with an edge. Cool tunes when you want to crank up the amps!" Eric Sorensen, Fufkin "Walk Fast...Head Down is a polished, passionate and powerful debut from these rocking power poppers ... Gary Glauber, PopMatters "KILLER! Tell the fans we'll be spinning Cyclones" Craig Leve / Snap, Crackle, POP! KWVA, Eugene OR Cyclones is a Chicago power-pop trio. After playing in several bands (Throck Morton, Stretch Velvet) throughout the 90's, Steve Gatland formed Cyclones in 2000 as a way to create the straight-ahead guitar power pop made famous by bands like the Replacements, Plimsouls, Material Issue, Guided By Voices, even the Descendents. Fans say the combination of vocal hooks, locked-in back beat, and over-driven guitar distance Cyclones from the bubble gum pop on the radio today. Our amps go to 11 ... "Cornerstones of any good power pop tune are a catchy melody, smart lyrics, and hooky instrumental riffs ... (Cyclones...) musical optimism is infectious -- inducing one to join in on the choruses!"
