

## Mp3 Dan Junk - Which Way

[DOWNLOAD HERE](#)

which way offers a wide variety of music that will excite every musical emotion in your body and soul. 18 MP3 Songs JAZZ: Smooth Jazz, ROCK: Classic Rock Details: Dan Junk Dan was given his first guitar at age 14. That gift was the beginning of his career as a musician. He began playing in clubs, as a lead guitarist, at age 19. He continued his love for music by leaning how to play other instruments. First the sax, then the flute, bass guitar, mandolin, dobro, fiddle and keyboards. Dan has played a variety of music with various bands, has performed in Maryland, Virginia, South Carolina and in many cities in Florida. He was the lead guitarist for a band that opened for Charlie Pride in Maryland, gigs included festivals in various states, weddings and private parties. Dan has also worked with other musicians on their recording projects. "Which Way" is his first solo recording project. He played all instruments with exception of the drums, wrote the music and lyrics and did all the arranging on this project. He did the recording at his studio in Florida. Teamed up with Fred Migliore to produce this project at F.M. Odyssey' studio in Merritt Island, Florida.
