World music for kids, children's pop 11 MP3 Songs KIDS/FAMILY: Children's Pop, KIDS/FAMILY: General Children's Music Details: SHARE A BEAUTIFUL RAINBOW WORLD WITH ME! The new cd by award-winning childrens performer DARIA is titled BEAUTIFUL RAINBOW WORLD, and presents songs from African, Caribbean, Australian, Latin American, Quechua, Native American, Hebrew, Arabic, Yiddish and African-American tradition. DARIA, a touring and performing world musician lives in Pennsylvania and has the most awesome job of traveling the world and singing for kids. This album features a didgeridoo track with some amazing didg playing by Karl Sangree. Do The Limbo was a favorite of my Middle East 2006 tour. (I guess if you can belly-dance then the limbo is a piece of cake!) There's a South African style version of Kumbayah that is dedicated to Vusi Mahasela known as the voice of South Africa. Songs about peace and a new vision for the planet include Salaam, Shalom, Down By the Riverside and Whole New World. Songs in Spanish include Bate, Bate Chocolate and Ese Pollito. And at last I have finally included a song in Quechua the language that I speak from South America the language of the Incan Empire. That song is called Yaw, Yaw Puka Polleracha. I dedicate this song to all my Peruvian friends con todo cario. I hope you enjoy the music I make. I hope it inspires and empowers your children and yourself as well! I also hope that my music and my story inspires you to have a vision of yourself in a bright new world one where you live and create the life of your dreams. All My Love, DARIA
