An edgy player with a sharp musical mind, Tucker mixes compelling rhythms, pointillism, atonality, electro-acoustic improvisation, and flexibility in playing techniques to explore new musical possibilities. Dave Tucker also has a track on the new Voices In The Wilderness: Dissenting Soundscapes Songs of GW'S America Pax Recordings CD. Available on CD Baby, too. [cdbaby.com/cd/vitwilderness](http://cdbaby.com/cd/vitwilderness) "It was also clear that the resourceful guitarist Tucker was as likely to slip in bluesy chord patterns, bottleneckeffects or gallumphing Munsters-rhythms as the abstract, Derek Bailey-like approach to melody he also favours." --The Guardian
