

Mp3 Dj Waxturnal - The Ballet Disastrophique

[DOWNLOAD HERE](#)

A contemporary electro-industrial soundtrack to an ultra modern ballet of dismay and despair. 12 MP3 Songs in this album (79:12) ! Related styles: ELECTRONIC: Industrial, AVANT GARDE: Electronic Avant-Garde People who are interested in William Orbit Delerium should consider this download. Details: In the sonic storm known as Waxturnal, nobody can hear you scream! Originally known as DJ Bobby Love film student at California Institute of the Arts, and part of the electronic industrial duo Section 8 in the mid to late 80s. After the breakup of Section 8, Bobby Love would go on to direct a string of music videos during the 90s for bands emerging out of the LA underground music scene. Following the production of four music videos for the band Wax Poetic Silverlake, Bobby Love would finish producing and mixing the Poetics CD debut just as they were calling it quits. In the poetic aftermath, BL would move on as DJ Waxturnal exploring new musical directions, emotionally cinematic and caustic enough for the dancefloor!
