

Mp3 Djpe - International Sounds Of The Future

[DOWNLOAD HERE](#)

world/electronic/experimental 12 MP3 Songs ELECTRONIC: Down Tempo, WORLD: World Fusion
Details: -a perfectly crafted balance between electronic sounds and organic material give this something special. ELECTRONIC MUSIC WORLD -djpe (paul edwards) has brought a living breathing "worldtronica" album into existence. a wide range of global sounds re-imagined through technology. incorporating indian ragas, brazilian samba, chinese poetry and beautiful folk songs. adding other worldly flavors and his own brand of future jazz. producer djpe and guests take the listener on a journey that is best enjoyed not on the dance floor, but chilled djpe can also be heard on THE PHILADELPHIA EXPERIMENT- remixed (Ropeadope), as well as his own TO SIX BILLION (Zenapolae). as a producer he has worked with artists as diverse as King Brit, Stinking Lizaveta and The Way Blue Bucket. his remixes have popped up on many remix comps. djpe will be on tour in 2006.
