Pressure and dirt. Electronic industrial rock. 14 MP3 Songs ELECTRONIC: Industrial, ROCK: Goth  
Details: FANOË builds own soundscapes by mixing dirty rock riffs with electronic elements. Classic songwriting, abstract rhythms and vocals which are sometimes energetic and screaming and sometimes more whispering and eager. This moods together build an own dynamic and style. Concerning Style and Genre FANOË is often compared with bands such as Marilyn Manson or Nine Inch Nails. This is maybe because there are not that many bands sounding like this. The mix of the different influences like david bowie, kyuss, tool, skold or also nin makes the music of FANOË stand of its own. The Album Empire Dirt contains 14 Tracks. Dirty Industrial/Goth Rock or sterile electro. This Album has it all. The album is professionally recorded and mastered. It comes with 8 pages booklet and lyrics. Recorded at klangfaktor studios switzerland. Mixed and mastered by Rainer Rtimann. Manufactured in switzerland. All songs are written, performed and produced by Klaus Fanoë. Go to the official FANOË homepage fanoë.ch for more informations, live video and pictures. FANOË live: FANOË supports The Sisters Of Mercy in Zurich
