Twisted, intelligent and damn funny comedy songs and sketches. Some in-studio, most recorded live in front of an audience. 21 MP3 Songs SPOKEN WORD: Comedy, SPOKEN WORD: With Music Details: Fast Dirty (Robert Hawke and Gord Oxley) are a fun, funny and award-winning comedy duo based in Toronto, Canada. A couple of years after they formed, they won the 1997 Tim Sims Encouragement Fund Award for best up-and-coming comedy act in Toronto. They were co-nominated for a comedy writing Gemini Award (Canada's Emmy) in 1999. They have appeared numerous times on local and national television and radio, and love performing live. Their appreciation of smart and occasionally raunchy humor is on full display on their CD "Live From Our Pants", where they perform songs, sketches, spoken bits and also incorporate improv into some of their pieces. "Live From Our Pants" will make the comedy lover on your shopping list laugh like hell. And if you're buying for someone you love, why not get one for yourself too? Come on, you're hard working; you deserve something fun to treat yourself with. This CD represents 52 minutes of cheering you up whether you're feeling great or crappy. More info on Fast Dirty can be found on their website, [fastanddirty.ca](http://fastanddirty.ca). Thanks for reading this schpiel from a couple of decent yet warped Canadians.
