

Mp3 Feltip Pens - All Things Are One

[DOWNLOAD HERE](#)

This music which has elements of Alternative, Orchestral and Electronica is melancholy and beautiful as like old European movies. Also it has very interesting talent, efficacy composition with music theory, such as irregular meter and modulation. 12 MP3 Songs in this album (46:44) ! Related styles: POP: Ambient Pop, JAZZ: Jazz-Rock People who are interested in Radiohead Coldplay should consider this download. Details: "feltip pens" is solo project by Hisayuki. Composing, lyric, play (Guitars, Bass, Vocal), programming (Piano, Keyboards, Strings, Drums, Percussion, Sound effects) and mixing are created by himself. His music which has elements of Alternative, Orchestral and Electronica is melancholy and beautiful as like old European movies. It's composed by the harmony between audio he play and sensitive electronic sound. These tunes have very interesting talent, efficacy composition with music theory, such as irregular meter and modulation. The sounds would make listeners evoke some landscapes. Sounds of "feltip pens" have strong ties with visual. That may be connected with movies he's ever seen, stories he's ever read or his own life. The theme he deals with are society, environment, life, death, inequality and love. His emotions is always expressed by music. In 2005, he took part in the exhibition of a photographer "Reishi Eguma" and a painting artist "Takashi Kondo" in Tokyo as a sound creator. And then, they created the art work for feltip pens' new album "Slowmomentary". A music label "Poison Tree Records" in the U.S. who listened it offered him contract to release it to the world. And people in the world who love music praised the album a great deal. 2 years after then, at last he finished creating new album "All Things Are One". It contains 12 amazing scenes imaged by music. You would travel all over the world. Have a great trip!
