Unique, Unique Unique... Intelligent lyrics with uncommon chord progressions, a real string quartet and the odd didgeridoo crafted into beautifully accessible rock. 13 MP3 Songs ROCK: Modern Rock, ROCK: Classic Rock Details: Remember Album songs? Produced by award winning producer Peter "Reggie Bowman and mastered by legend Scott Hull in New York, Piscean War is an album in the true sense of the word.. No major label constraints on song length or artistry and not just two singles and a bunch of filler. Tracks from Piscean war have been signed to Private Wavs Publishing and are being pitched to American network television and have been used in several films in Australia including the surf films "Tas Zero One" and "Free Delivery". The Tracks "Facing Home", "Candles", "Her Autobiography", "Unconditional" and Only Blocks Away have all received airplay nationally in Australia on Triple J and other prominent stations as well as video airplay. Using elegant arrangements, real strings, intelligent lyrics and uncommon themes all performed with emotion and honesty, Piscean War is undoubtedly an album in the classic sense. Jaye Christopher Hanson has played guitar and sung in various rock bands in Melbourne over the past 10 years. Piscean War is his debut as a solo artist.
