Some Easy Listening and Some not so easy, all are instructive. 16 MP3 Songs ELECTRONIC: Techno, EASY LISTENING: Background Music Details: Been retired from Engineering for 7 years. Now able to find time to record more music. Played much MIDI music back in the 80's but never sold it as it was very time consuming to use tapes etc. Since retirement playing style has been impacted by having to find the proper instruments and get the music going again. Now using yamaha portable grand and a Casio similar. all is centrally powered thru a P4 computer driving P5-2 by Cakewalk and Sonar 4 by same. Soft synthesizers in addition to hardware Synths, are all tied together by Midiman 4x-4x.
