"Take A New Road's" musical message of personal freedom 11 MP3 Songs NEW AGE: New Age, ROCK: Folk Rock Details: Levi, a passionate new voice, celebrates freedom with his debut CD, "Take A New Road," an 11-track collection of inspirational and heart-opening music. No stranger to the spiritual path, Levi's (pronounced "Lay-vee") 25-year spiritual search led him to Tai Chi, yoga, meditation and Kabbalah with teachers from the East and the West. "Freedom is perhaps the biggest issue of our time," remarks Levi. "More and more people yearn for it. Freedom is born from an open heart ready to embrace life, and selfless service that benefits everyone, including oneself." Levi's message of freedom transcends any boundary -- political, religious or cultural -- bringing a message and gift of freedom to everyone, everywhere. He believes that freedom is a choice that anyone, regardless of external circumstances, can make. He sees that, "Freedom is a river of abundance that supports all of life." With his inspired and inspiring music, Levi brings his message home with a unique talent and soulful delivery for all to enjoy and ultimately, be moved by. "In our heart of hearts there is a spark of Divinity longing to burn brightly. It yearns to sing a song that radiates peace and compassion. It is a song that unifies all of life and sets us free. My heartfelt prayer is that these songs connect you to the beauty that lives deep within your heart. May they lead you to joyfully sing your own unique love song of freedom."
