Dark heavy dub influenced DIY hypnotherapy to instrumental hand drill open brain surgery -for experienced hobbyists only. 9 MP3 Songs in this album (31:48) ! Related styles: ELECTRONIC: Dub, ROCK: Experimental Rock People who are interested in King Tubby Scientist should consider this download. Details: Produced in an orange living room located somewhere within one of countless rotting 70s track homes that bank a long stretch of pawn shops, used car lots, gas stations, dollar stores and fast food restaurants. The recording sessions often took place on days that shared no relation with the cycles of the sun. Inspired by the likes of Masaru Sato, Fela Kuti, Osbourne Ruddock the King Tubby and one of the Dark Princes treasured, Jack Dejohnette, the rocksteady trash-step cinema static dub of Loudspeaker Speaker Meets Clearly Human is intended for those reading personal ads, use in tape loop projects, an accompaniment for the sound of traffic heard from ones window as well as midnight walks to the corner store for Sparks, ice cream, a samurai sword, a zodiac key chain or lighter fluid. Spring reverb tape echo cloud animals as seen by tube organs, tambourines, drum kits and guitars. - usually speechless - sometimes in Japanese
