Acoustic folk rock alt-country jam 11 MP3 Songs FOLK: Folk Blues, BLUES: Acoustic Blues Details: Marc Miller marcmillermusic.com marcmillermusic@yahoo.com Growing up in Southwestern Virginia, Marc was introduced to many styles of music at a young age. From Blues to Bluegrass, Rock to Reggae, he blends many influences into his own brand of acoustic eclectic rockin country blues. Some of my favorite music arises from musical fusions. I try to achieve this in my own compositions, even if it is only implied. Marc has been singing and playing professionally for over ten years in bands such as Brother Esau, The Sundogs, and, Bucktoothed Truck, to name a few, as well as performing as a solo artist. As a singer-songwriter, Marc has an extensive list of original songs as well as cover material. I try to keep it interesting to me and people interested. I find the challenge of making a song my own one that keeps changing and growing.
