

Mp3 Richard Wilson - Spirit In Your Soul

[DOWNLOAD HERE](#)

Soaring melodies wrapped in introspective subject matter and carried by ambient grooves. 6 MP3 Songs

POP: British Pop, ELECTRONIC: Ambient Details: The brand new release from Richard Wilson.

Essentially "Spirit In Your Soul" is about keeping it real in an unreal world. The subject matter is a personal journey that examines fame and integrity in a material world. Ambient and world music loops carry the songs which feature electric and acoustic guitars, as well as atmospheric keyboard textures redolent of David Sylvian.
