More recently, I have been privileged to perform weekly at Altobelis Piano bar in Alpharetta, Georgia and at a very special club in Hilton Head, S.C. The Jazz Corner, the most successful jazz venue in the Southeast. Its a swinging, magical place that features local jazz talent and international performers. thejazzcorner.com Like most singers, my sounds and styles have been influenced by so many great performers, including Sinatra, Bobby Darin, Neil Diamond, Steve Lawrence Edie Gourmet, Jack Jones, Sara Vaughn, Dianne Schuur, Harry Connick, Jr., Kenny Rankin, and most recently, Michael Buble. Recently, after years of compliments from listeners, I realized that I really do have a special voice and my friends and listeners inspired me to do a CD. It was challenging and lots of fun. I hope you find a song or two that makes you come back for seconds. A special thanks to Mom (Martha Herron) for spending her spare grocery money on music lessons and musical instruments for her 12 children.
