"This debut shines with universally catchy and fun eclectic songs. Ranging from its East European melodies to tastefully layered melodic rock to Irish folk, it has tremendous musical range, but manages to retain consistency of sound" 22 MP3 Songs POP: Pop/Rock, ROCK: 60's Rock Show all album songs: Scenes From The Good Life Songs Details: "These startlingly unhinged, funhouse wizards have created a beautifully packaged, 2-CD set entitled "Scenes from the Good Life" that well may be the most amazing local recording EVER. The core quintet can play anything, and the performances are brilliantly recorded. The astonishing Otar Taktakishvili (guitars, vocals and studio) shares writing/siging credits with Ty Byerly and Brian Cretzmeyer, and the groups collective ethos boggles the imagination with a mix of Bonzo Dog Band, Zappa, Celtic folk, Holy Modal Rounders, vaudevillian Kinks, the Dead, and disconnected 'White Album' Beatles and hill-coutry granola. the GgLITCH are awesome and deserve yer love." --Jim Musser of the Daily Iowan. The GgLITCH is a five-piece band from Iowa City that has knack for excellent songwriting with an element of intensely driven live improvization. The band has recieved acclaim for its uncompromisingly driven and unpredictable live shows, as well as heartfelt and catchy originals. SCENES FROM THE GOOD LIFE is the culmination of their creative efforts and musical personalities woven into over 90 minutes of effortless, engaging music that is receiving rave reviews and enthusisatic critical acclaim.
