An introspective journey from the mountains to the bottom of the sea and everywhere in between. An all star lineup of musicians helps accentuate the acoustic roots of the songs. Natural production. 11 MP3 Songs FOLK: Folk Pop, ROCK: Folk Rock Details: On his new album, "Pavement Ends," Adelman is simultaneously sullen and hopeful, raw and sweet. His songs dig deep into the relationship with oneself; the challenges we all struggle with and triumph over. In poetic simplicity, he sings his stories from the gut. Echoing Dylan and early Springsteen, Adelman's yarns are not for the tonal epicure, but the unbrazen soul.
