Cadillacs rolling back 2 back in BROOKLYN? That must be the WISEGUYZ. Gangsta and Pimpish.... 29  
MP3 Songs HIP HOP/RAP: Southern Style, HIP HOP/RAP: Hardcore Rap Details: No matter what is  
being supplied, a hustler is only as good as his word. The Wise hail from Virginia but later moved to the  
Rotten Apple(Brooklyn, NY) before going to high school. The WiseGuyz : brothers J-Sin / The Preacher  
J-Son / The Shadow(of a Dead Soldier) are not your ordinary rhyme-spitters. Due to their Down-South  
and East-Coast backgrounds, the WiseGuyz truly represent hoods across the nation. Their music  
touches many people of various backgrounds and situations, due to diverse topics and rhyme-styles.  
WiseGuyz have a style and charisma that is embraced from hood to hood; stage to stage; and state to  
state. Which is no small feat. They came-up thru battling emcees of different crews and staying in the  
booth laying down that potent Hip-Hop / Street-Hop. WiseGuyz were bred to be lyrical juggernauts and it  
shows! Since linking up with ClutchLife Entertainment, they have made musical banger after banger. East  
Coast, West Coast, MidWest, and Down South. Shit! It dont matter what Set-U-Claim. WiseGuyz have
