Welcome To 2dollar Store all our products comes with Resale Rights. Buy from here and sell it anywhere and make big profits or you can use it for your Personal Use. Product Details--- Relax Now There's A Way To Guarantee Your Messages Get Seen By 100 of Your Subscribers Every Time! With "DeskTop Pop" You Can Guarantee They'll Get Your Messages - Every Time! DeskTop Pop is a brand new program that lets you build mini applications that sit in your prospects system tray (The bottom right of your screen next to the clock). This little 'silent salesman' quietly monitors the web page you tell it to (as often as you want) until you update that page. When you do - Bam! The application springs to life and lets them know! What does this mean to you? In simple terms it means you never need to worry about your prospects seeing your latest offers because you won't be worrying about your emails getting through. As soon as you update the page they'll know about it! Here's just a few of the ways you can use 'DeskTop Pop': Newsletters - Guaranteed delivery of every issue of your newsletter - no more accidental filtering or blocking of the e-mail version by ISPs and filtering software! Special Offer Alerts - Your prospects get instant notification of all your latest special offers! Backend Promoter - Strike up affiliate partnerships and

promote them through 'DeskTop Pop'. Affiliate Updater/Motivator - Inform your affiliate's of your new promotional material and products. Keep them up to date with their affiliate stats and motivate them to make YOU more money! Membership Site's - Run your membership site through 'DeskTop Pop', now your members will always know as soon as you add new content. Product Updates - Inform your customers of the latest updates to your products so they can get instant access without even opening their browser or email program! Download Area - Have your website download area contained within 'DeskTop Pop' so you can bring people back to your offers long after they download your freebies! And many, many more! The possibilities are endless. All these things will bring people back to your site again and again to buy your products! Let me show you exactly how 'DeskTop Pop' works. All you do is simply open the program, fill in a few simple options, and press "Build Application". 'DeskTop Pop' will create a file ready to distribute to your prospects and customers!
