

Kaleidosite Pro

[DOWNLOAD HERE](#)

A Powerful Site Morphing Tool That Is Able To Transform Your Whole Website Including Images, Background Colors And Text! KaleidoSite Pro is a revolutionary software, built to give you a real time impression of giving your entire website a total make-over! Change the contrast of your whole website? Make it look warmer, darker or even brighter..... The real time view of your site morphing into a butterfly, is simply amazing! You do not have to worry about changing the elements one by one as you normally do using your favorite editor. Would you rather go through the nightmare of: Changing the header Changing the background Changing font colors Changing the color of each link to suit the color scheme Save your work... Preview in browser..... Eeeeeeks!!! It turned out awful lets redo it again.... Or you can use KaleidoSite Pro to preview the changes instantly without ever worrying of having to edit it again and again and again and ...(this could take forever) KaleidoSite Pro Does Not Only Process Images... If youre thinking this software only changes the colors of background and text...youre in for a big surprise... Not only KaleidoSite Pro uses a superior batch image processing core, it will also process the color of normal text, images, tables & all other HTML elements as well. Unleashed the full potential of your websites

instantly! Change the colors in your html web pages right before your eyes! KaleidoSite Pro is a powerful site morphing tool that is able to transform your whole website. When I mention your whole site....I mean THE WHOLE SITE including images, background colors and text! If you have those adsense ready web pages this tool will do wonders for you because you can instantly differentiate yourself from any others. If you are a reseller and have tons of those accompanying sales letters, you can use this software to change the colors of your header images, your background images and the text easily with a few simple clicks.
