MUSIC IN GENERAL Brad Groves began singing at the early age of 4 with his church choir. He continued to sing as he got older with school choirs and began doing the opsy circuits about 6 years ago. Music has always been a part of his life. Singing is something that comes easy to Brad and he enjoys it from the bottom of his heart. To be onstage singing, ministering to and entertaining an audience is where Brad feels most comfortable. Brad began to write songs just within the last few years. When Brad began to work on this latest project, God placed it in his heart to try and write some songs himself. God placed many people in Brad's path that would help him complete this task.

ACOMPLISHMENTS Brad has been blessed to sing with many people over the years including; Jody Miller, David Frizzell, Joey Riley, and many more. Brad was awarded the Rodeo City Music Hall Performance of the Year Award for 2002. He has also been reviewed by many local papers including the Denton Record Chronicle. Among his other talents and accomplishments, Brad has begun to minister to churches, sharing both his voice and his testimony.

GROVES MINISTRY God has blessed his life and given Brad a gift that he intends to use to give glory and honor to Jesus Christ, his Savior. Brad and his wife are eager to share with the world their ministry. Groves Ministries was formed shortly

after the two were married with its purpose to share with others the testimonies of two people who took the wrong road and by Gods Grace were shown the light. Brad and Bri would like to help others avoid the path that they took and bring hope and joy to those searching.
