Lee has blended his professional music career of 30 years with his professional teaching career (over 17 years K-12th grade) to create Captain Music Inc. Captain Music Lee began his career as a professional trumpet player in the NYC area. His experiences include touring Europe and the U.S. with the world-renowned Lionel Hampton Orchestra (a CD Lee had the good fortune to play on with Lionel was nominated for a Grammy in 1985). Lee also played trumpet for Natalie Cole, Maureen McGovern, The Shirelles, The Nelson Riddle Orchestra, and The Glenn Miller Orchestra to name a few. Lees trumpet career came to an abrupt halt when he suffered a mini-stroke while performing with the Ringling Brothers and Barnum and Bailey Circus in the late 1980s. Lee solos with Lionel Hampton and John Pendenza in Germany (1984) Lee also had a successful teaching career and has spent 17 years teaching students in grades K-12. Not wanting to give up music or teaching, Lee put his two loves together and began writing fun and educational music for children. Within 3 months of making his decision to write music, he released his first CD, CHARACTER COUNTSSO DO !! which was selected OUTSTANDING by Parent Council. Lee has now moved into the music-writing business full time. He shares his music by presenting student assemblies, teacher workshops, motivational talks and concerts around the country. Lee feels that the mini-stroke that he suffered was actually a blessing. He works in a unique field that he absolutely enjoys. Lees mission, through his music, is to help transform young people in their formative years into responsible, caring and accountable human beings.
