

# Mp3 Doom The Original - A Big Man's Point Of View

[DOWNLOAD HERE](#)

Hip Hop music-a blend of rap and funk. 12 MP3 Songs HIP HOP/RAP: Hardcore Rap, URBAN/R&B: R&B Rap mix Details: Doom is a rapper from an area of Northern California known as the "Salad Bowl", Salinas, CA. He was one of the first rap artists to sign to an established independent label and release records in the Monterey Bay/831 area. He's performed and had his music played through-out California. Doom has also released several independent albums locally and has featured with many artists on other local releases. Doom is of multi-cultural descent and as such, comes with many views and thoughts of the world, his life and his surroundings through his music and lyrics.
