

Mp3 Greentara - Global Baby

[DOWNLOAD HERE](#)

Soul-Funk-Jazz-Reggae fusion from one of Canada's rising stars - laced with kickin' vocals, bangin' bass, horns, strings and consciously delicious lyrics. 13 MP3 Songs URBAN/R&B: Soul, URBAN/R&B: Funk
Details: Dubbed to have the sass of Jill Scott (NOW Magazine), GreenTaRA is one of the Pacific Northwest's finest independent gems. This award-winning artist brings a fresh brand of soul music to the world stage, combining vocal charm and tight musicianship with solid songwriting and powerful messages for a guaranteed good time. A Canadian recording/touring artist, GreenTaRA has performed at the United Nations in NYC, Canadian Music Week, Fete de la Musique in Berlin, the Western Canadian Music Awards Festival, Baltimore Music Festival, Frostbite Music Festival, Florida's Springfest and the Vans Warped Tour among multi-national engagements. Recently named "Best of the Fest" for the Austin Woman's Film, Music Literary Festival, GreenTaRA has shared the stage with Spearhead's Michael Franti, K-os, Jully Black, K'naan, Kelis, Big Sugar and Medusa among others, and has opened for legendary artists such as De La Soul and Little Richard.
