This colorful Band Organ was formerly owned by a well-known Carnival owner, one of the most well-respected men in the industry. The organ had been used of their beautiful Carousel and was shown and heard all over the Eastern, Southern, and Central part of Missouri. The Carnival was based in Cape Girardeau, Missouri. Always kept clean and freshly painted, the Carnival was welcomed wherever it played. The same man who took care of the Carousel for over 25 years, also took care of the organ.
