Details: "SLOW-DOWN" is the latest CD from Wilmington, NC based Jason Marks! This musical offering features some songs written by Jason and a few written by some of Nashville, TN up and coming song writers. The shift to use other songwriters music was prompted by Jason's lack of time to write last fall while in nursing school FULL TIME! So, he called up fellow UNCW Alumnus John Griffin...who sent Jason some song ideas! SLOW-DOWN sounds like, Keith Urban, Rascal Flatts, mixed with a little Brad Paisley. The production quality is excellent thanks to the return of Jason Merritt as Producer and Engineer as well as top notch musicians! A simple yet FUN collection of songs which illustrates Jason Marks's growing maturity as a singer and songwriter...Now... "SLOW-DOWN" and take a listen and enjoy some Jason Marks! People who are interested in Chris Isaak Eagles Keith Urban should consider this download.
