Details: Kim Edwards is a Pennsylvania-based pianist turned singer/songwriter. She began taking piano lessons at 4 years old and grew up listening to a healthy dose of everything from The Beach Boys to Mozart to Billy Joel. Fast forward 17 years later, and she has whipped up a small batch of songs for your aural taste buds to test. Kim will be the very first to tell you that she is lousy at writing her own bio, especially in third-personlike right now. But she sincerely hopes you enjoy the 4 songs on this EP. They were inspired by dear friends, rainy days, city streets, and ancient Books. Recorded in Dallas, Texas, at Spaceway Studios with producer Will Hunt (Bethany Dillon, Shane Shane, Amy Lee), and at Christ for the Nations Institute with Ken Calderon.
