Great British Trance and Popular Jungle/Drum Bass 10 MP3 Songs ELECTRONIC: Trance, ELECTRONIC: Drum 'n Bass/Jungle Details: Respect to all you clubbers out there!Malt B brings you some sounds from Mawbeatmusic, a project i started in 2004. when dance music was becoming popular in the 80s i relised i wanted it to be part of my life.at that time though,where i was from was full of unemployment and musical equipment and computers were rare and expensive. by the time the rave scene had started in the late 80s i was going clubbing and generally enjoying the times. Nowadays the synths and computers are more affordable and i now own the equipment to make my own tunes.tracks on this my first album are on the drum bass style and jungle,but there are also a few trancy pop tunes that give it a more energetic feel than my second album that i will tell you about next....
