hauntingly silky voice blends incredibly insightful lyrics. altogether smooth. 5 MP3 Songs FOLK: Modern Folk, EASY LISTENING: Soft Rock Details: "the first time i heard melody prout sing i, along with the rest of the room, became deathly still. her voice stopped me cold. there is something honest, haunting, and breath-taking about melody prout's art. she sings and writes with a maturity beyond her age." tyrone wells-singer/songwriter-Los Angeles,CA What they're saying about the EP: What I particularly love are her lyrics, which are heartfelt and profound, allowing the listener to be transported to another time and place. When I listen to her songs, I am under that tree or craving the rain. Melody's music is at the same time otherworldly and fully present. Julliette Parks, CA "Melody's lyrics do something to your soul...her creativity pieced together with the abrasiveness of her honesty finally shows the world that someone who makes music is...real." Betsey Thompson, Colorado "When Melody sings, you get the sense that she can do anything she wants with her voice. For all her ability, she shows remarkable restraint, which translates to a great sense for doing just enough...enough to make audiences catch their breath." Dave Franco, CA
