Mp3 Minefield - War Machine

DOWNLOAD HERE

Emotive, ambient pop for people that still remember what it is to feel. 14 MP3 Songs ELECTRONIC: Ambient, POP: Delicate Details: Minefield is an ambient/electronic one woman project. Tamara Kent began creating under this moniker in 2000 working with Producer Neil Parfitt. The two met in College studying Record Engineering. Live, she often calls on her buddies Craig Sarvis (Bass) and Victor Rebelo (Drums) to help her flesh out the arrangements. Tamara is moving to Montreal this summer (2004). There she will finish the next Minefield record tentatively titled 'Seeing Red'. Minefield's online home will soon return to minefieldmusic To join the mailing list...send an email to minefield@mail.com
