When downtempo and experimental electronic reach into the realms of art; gorgeous, rich, insanely creative, sensuous and lush electronic expanses that lead with the gut. 14 MP3 Songs ELECTRONIC: Down Tempo, ELECTRONIC: Experimental Details: Mr. Richard Bailey, aka Proem, has been quiet for awhile,... but he's been busy. Very busy making Socially Inept, the most densely emotive Proem record to date. His second album on Merck, and fourth overall. Described by Richard as being sweeter than a vegan triple chocolate peanut butter mousse with an extra thick crust. You'll find many of his 'patented sweet' Proem melodies and arrangement. He has traded in most of his Burnplate crunch for some of the smoothest and most precise beats around. As well as his more varied structure and progression definitely display a maturity not seen previously.
