Details: On September 11, 2001, all of our lives were affected; some more than others. Inspired by the sound of senators singing in unison on television, on September 12, 2001 a song was born. Singer Susan Grace and Guitarist Daniel E. Sampson sat down in the studio, stunned in disbelief of our country's misfortune the day before, and wrote the song entitled: 9-1-1. By Friday, September 14th, they were sitting in a local radio station with the first pressed CD in hand. On Saturday, September 15th, the song was featured on the station and was given air play at WCCQ-98.3 FM! Other stations in Chicagoland followed. In 2001-2002, WE WERE ABLE TO DONATE \$2.00 from each CD SOLD and we were able to give a check to the N.Y. Firefighters 911 Relief Fund in the amount of \$1,004.00 as a donation to the families of victims of the tragic 9-1-1 event. This song is brought to you from our hearts, God Bless the U.S.A. Susan and Dan
