Many of the songs on the CD were written and produced by John Madara and partner, Dave White. They also wrote and produced such timeless classics as AT THE HOP (Danny and The Juniors), THE FLY (Chubby Checker), 1-2-3 (Len Barry, who co-wrote the song with Madara White) and YOU DON'T OWN ME (Leslie Gore). These and countless other hit records by Madara White helped to make up "The Sound of Philadelphia." This historical CD contains valuable information, when available, on the musicians who played on each song as well as the date the song was recorded and the studio where it was recorded. Two of the musicians were unknowns, Leon Huff and Daryl Hall, both discovered by John Madara, before they hooked up with Kenny Gamble and John Oates. All songs have been digitally restored and digitally mastered to give you the very best quality available. Make this historical CD a part of your oldies record collection!
