Details: TC Records is a young, hip, christian label located in the heart of the South Bronx. We are all about creating music with the message of The Gospel in the Latin, Rock, Blues, R&B, Hip-Hop and Praise Worship styles. Our goal is to be the house where christian artists that are up front about their message but pushing the envelope in terms of their sound can turn to. "Let Us Worship" is a compilation album presenting some of the artists currently on our roster, and displaying a wide variety of styles. It was recorded live at Thessalonica Church. Please, stay tuned...more to come!
