"Curl up in a chair with a glass of wine" urban, jazzy r&b. 13 MP3 Songs URBAN/R&B: Contemporary urban, JAZZ: Jazz Vocals Details: Project DW Traci Mattison, R&B/jazz vocalist from Columbus, Ohio, recorded Lament with us (Project DW) late last year. We feel she has a great voice and is also a great lyricist. Women seem to be drawn to this cd describing it as "Mellow and romantic" and "Curl up on the couch with a glass of wine music."
