## **Mp3 Weapons Of Romance - Consummation**

## DOWNLOAD HERE

An ambient exploration of sensuality 5 MP3 Songs ELECTRONIC: Ambient, NEW AGE: Ambient Details: Forged in the belief that the human senses are a gift to be cherished and explored intelligently, Weapons Of Romance stands in opposition to the puritanical notion that sensuality is dirty, cheap and sinful. Sensuality is only cheap and dirty if you are lazy about it. Careful, intelligent exploration of our senses is not only healthy but it is, in fact, our birth right. What is a weapon of romance? The word weapon is used loosely. It refers to those things that excite the senses and enrich our wellbeing. The classic examples are things like fine wine, roses, oysters, chocolate, and strawberries, however, I believe that art, philosophy and literature should not be forgotten on that list. There is no specific definition for what these things should be, that is for the individual to decide. Honor the gift youve been given. Take the time to intelligently build youre personal arsenal of weapons. Consummation, the first cd from Weapons of Romance, is a musical exploration of love and sexuality. Is it the consummation of marriage or the consummation of love? That is for you to decide. Is it a man and a woman or two women? That is for you to decide as well. Grab a glass of wine (a good one), lie down, take a deep breathe, close your eyes and listen as you contemplate the one you love. -Thank You for taking the time to consider my works and thank you for supporting independent music, -Weapons Of Romance
