

Seeing A Man About A Horse - Lorne Rodman

Rancher Casey has been buying horses from the wild horse round-ups for years. He's never seen a stallion like Feder, though, and when the two of them meet up his well-ordered life goes right out the window. Feder has always been able to transform from horse to man, but he's never really had the urge to spend any time as a human until now. He finds Casey, and the things they do together, incredibly intriguing. What both Casey and Feder have to remember is that cowboys and wild animals need to be free to be happy. Can they find the balance that allows them to be together? Author: Rodman, Lorne
