What is the most important attribute a freelance consultant must have? Is it communications skills, a package of up-to-the-minute techniques, or the ability to project manage effectively? All of these things are necessary. But I encourage you to read this book through a different lens. The most important attribute, in my world, is the ability to market oneself- products, pricing, promotion and routes to market. This book will support you on that journey. Martin Shervington, author
