Now that Katie's been collared, she's settling quickly into life with her master, Sam. But she thinks she's ready to expand her experiences and he's quick to help. In fact, Sam has a special gift planned that is sure to delight her, if only she can gather the courage to move beyond the past and accept it without regrets. Special Content Alert: BDSM, F/F/M m/f Mpreg Excerpt: Chapter One The metal was cool, shockingly so, as it came into contact with the sensitive skin of her neck. His fingers barely touched her, and yet even that small caress made her shiver. Goosebumps rose in a wave over her entire body and she felt even more bare than she already was, if that was possible. The lock closed with a quiet 'snick' and the joy that bubbled up from the depths of her soul shone from her. She knew she was glowing, could feel it emanating from her skin. "You've come to me, and you've bared your body, and your mind, and your soul. We have explored many things, both pleasurable and painful, and I am honored to collar you today. We will travel this part of the journey together, confident in our trust, secure in our love. I claim you as mine." Tears welled up in Katie's eyes and flowed over her cheeks at his words. In her position kneeling at his feet, she bent over and reverently laid her lips on first one boot, and then the other. She

lifted her face to look up at him, and as she spoke, his hands came up to cradle her damp cheeks. "You found me, and didn't just mold me into what I am now. You urged me to find out who I was for myself, and no one else. You accepted me, even when I was afraid. You were even willing to let me go, if that was what I needed. You encouraged me, and you guided me, and now I accept your claim. You will be my master, and I will be your slave, happily. I choose you, Sam." Her words wavered as his hands lightly glided over her cheeks, down her neck, over her shoulders and all the way down to her hands to help her stand in front of him. Katie fell into his light green gaze and his head dipped down. His lips touched hers, gently at first, and she responded even to that tender touch. The kiss went on, and as it did, his tongue slid into her mouth, silkily dueling with hers until she pressed her body to his, small whimpers released from her throat. Katie came back to herself when she heard the others in the room softly clapping for them. She could feel herself blush from her cheeks above to the cheeks a little further south, and knew that her embarrassment could be seen by all. When her master turned away for a moment, she let her fingers come up to stroke her newest adornment. Her hands were toying with the lock at the back of her neck when her wrists were firmly gripped. "It's time to play now, my beautiful slave." Sam chuckled in a dark, sensual way that sent desire ripping through her, and Katie's wrists were bound behind her neck.
