"folk with fire,with bluegrass undertones" 11 MP3 Songs FOLK: Gentle, COUNTRY: Bluegrass Details: 2 years in the making.."Wake up Daisy" the new cd by B.Willie Dryden features 5 piano songs(a first for B.Willie)..and new old guitar songs..that stretch his journey even further..the 1925 A-junior mandolin bubbles in "Daisy" the song, and the featured.."I Remember Minnie Grace.." The "old" and the "new" collide in childhood memories..births deaths note a modern-day maturity. The theme should be from "Nashville to Rugby"...the cover depicts the ancient graveyard from the 1880's historic- settlement..as the back picture glimpses the courtyard of the famous "Newberry House" A popular Bed Breakfast in the quiet and peaceful community..."Wake up Daisy" is yet another snap-shot of the artist doing what he chooses.. and having a good time doing it...easy to listen to..(look for 3 new releases in 2006..(ANDROMEDA-re-release)(AT THE CLICK O'MY HEELS-selective recordings 1979-1993) and "FOLK WITH FIRE" ..B. Willie at his best..***
