High Energy Pop Rock A cappella 10 MP3 Songs POP: 50's Pop, ROCK: 90's Rock Details: Its been a long, four-year wait for Boyz Nite Outs second album, but was it worth it! The album starts off strong and just gets stronger - this is definitely an achievement in vocal music. The Boyz once again team up with Grammy award winning producer J. Andrew Selby and this CD does not disappoint! Seven original songs, plus covers of rock songs such as Pearl Jam's "Alive," and Lenny Kravitz "If You Cant Say No, and strong vocal percussion, courtesy of Boyz Nite Out's vocal percussionist Eugene Rocha, add up to a professional and impressive result. State-of-the-art technology and hip production create a full spectrum of sound, emphasized on tunes such as "My Heart," and these guys can sing too, as is evidenced by Boyz-II-Men type cuts like "When I Look Into Your Eyes." Bluesy urban pop, such as the group's own "Big Black Cadillac" and "Never let go," packs a wallop. Its a Herculean task to pick one highlight on this album, but for heart-wrenchingly poignant delivery, you cant beat "Ill Be.
